

## PET POLICY

**Pets are not allowed on our farm.**

**We are a food production farm. The Food Safety Modernization Act/Produce Safety Rule prohibits pets from entering our farms or facilities.**

**ADA-compliant guide/service animals are welcome on our farms.**

### **What is a service animal?**

Under the ADA, service animals are defined as a dog that has been individually trained to do work or perform tasks for an individual with a disability. This means the dog must be trained to take specific action when needed to assist the person with a disability. The task(s) performed by the dog must be related to the person's disability.

### **Are emotional support, therapy, comfort, or companion animals considered service animals under the ADA?**

No. These terms are used to describe animals that provide comfort just by being with a person. Because they have not been trained to perform a specific job or task, they do not qualify as service animals under the ADA.
